## **MADZIBANDLELA ORPHANAGE HOME**

Madzibandlela Orphanage Home is a community-based organization located in Soshanguve.

The project focuses on environmental issues, gardening, sports, arts and culture, lifeskills, and HIV/AIDS.

The primary target market of the project is; schools, unemployed and employed individuals who lack any of the services offered by the organization.

Community members and school learners are trained on environmental education therefore enabling them to produce food gardens and protect the environment.
