

PEU YA BALIMI

Peu Ya Balimi is located in Mmamogaleskraal, in the Madibeng Municipality. The project is primarily composed of seven members working on the farms. They possess a registered dam on the premises, with 12.5 hectares of the total available land. Planting is only done over 3 hectares at the moment, with the hope of expanding in future. Peu Ya Balimi is involved in the community, and brings support to the local Day Care Centre. With their own stall located at the Mabopane Station, the goods produced from the farm are sold to the community in order for the project to self sustain. The project has received support from the Department of Agriculture, and the Madibeng Municipality.
